5. **CITIZEN'S PRESENTATION:**

a. Mr. Palmer Collins

Mr. Palmer Collins, attorney, presented a check to the Brevard Community College Foundation Office, in the amount of \$112,000, which represents the final contribution from the Kosinski Trust. Dr. Flom reported the Kosinski Fund has awarded 113 scholarships, at \$1,000 each. The endowment is over \$1.3 million and scholarships will continue to be awarded from the fund.

6. **CONSTRUCTION AND DEVELOPMENT:**

a. Approval of Florida Architects for Continuing Services – Mr. Little (Addendum)

Mr. Little, Vice President for Finance and Administrative Services, reported State Statutes allow the Board to award contracts to architectural and construction management companies to provide continuing services on BCC's campus projects. The projects can be no greater than \$500,000, with architectural fees no larger than \$25,000. Last year, the college completed a search process for the continuing services architect, and the Board selected the firm of Rood and Zwick. BCC has utilized this firm on several occasions with good success, saving valuable time in the completion of small projects. Mr. Little reported it is common for a college to contract with more than one firm for continuing services. The establishment of an additional continuing contract allows the college to proceed on jobs in the most efficient manner and to make use of the architectural strengths from both firms in the appropriate projects. It also allows BCC to use one firm to review the plans of another firm. Last year, the Committee recommended both Rood and Zwick and Florida Architects as qualified firms for this service. This would not replace Rood and Zwick, but simply be an additional choice for

- b. Approval of Amendment to H. J. High Construction Manager Contract for the Titusville Building #1 Renovations – Mr. Little – (Addendum)

Mr. Little reported H. J. High Construction has gone through the bidding process and BCC has immediate funding for the project. H. J. High has prepared a price estimate for the first phase of the project. The college

reported a settlement has been reached, with Stottler Stagg and Associates, regarding the architectural services pertaining to Building #3 on the Palm Bay Campus. Mr. Matheny recommended the Board authorize the college to sign the settlement agreement and resolve those issues. Dr. Gamble recommended approval of the settlement agreement.

Mr. Handley moved approval of the settlement agreement with Stottler Stagg and Associates. Mr. McCotter seconded the motion. All those voting in favor of the motion – Handley, Johnson, McCotter, Martinez, and Penn Williams; opposed – none. Motion unanimously approved.

Mr. Matheny reported the negotiations on the WBCC-TV agreement with Daytona Beach Community College are positive. He reported an agreement, between the two schools, has been reached. At this time, a tower agreement is being negotiated with Brown Road Tower Corporation.

(1) Stormwater Situation Update – Mr. Matheny

Mr. Matheny reported he, Mr. McCotter, Board member, Dr. Elena Flom, Executive Director of the BCC Foundation, and Dr. Brenda Fettrow, Cocoa Campus President, took a tour of the property adjacent to the Cocoa Campus, owned by the Foundation. Mr. Matheny reported Clark Maxwell, III, appraised the entire 36 acres at \$312,000. He appraised, separately, at \$112,000, the west 275 feet, which is the land that is recommended by the Board, as well as the BCC Foundation, not to release to the City of Cocoa. Mr. Matheny reported the BCC Foundation paid approximately \$225,000 for 15 niscuss03 TTD-oTJ000d(ound03 Tc0.0001he9[B)6.7(each Community)29.7(Co.37 akeD0e)]

- e. Approval of Items to Add to Future Board Agendas by the Board – Mrs. Martinez

Mrs. Martinez reported the “Request for Board Meeting Agenda Items,” form was prepared by Dr. Gamble in response to the Board’s request. Mrs. Martinez reported agenda item requests should be submitted to Terry Martin, Executive Assistant to the District President, via e-mail or mail. Dr. Gamble reported recommended items should be submitted ten days prior to the Board meeting to include in the Board packets. Dr. Gamble will confirm items, with Chair Martinez.

Mr. Handley moved approval of the “Request for Board Meeting Agenda Items,” form to be used as a vehicle to add items to the agenda by the Board.

Mr. Johnson seconded the motion. All those voting in favor of the motion – Handley, Johnson, McCotter, Martinez, and Penn Williams; opposed – none. Motion unanimously approved.

9. FINANCIAL ACTIONS:

- a. Approval of Monthly Budget Summary Report (January 2002) – Mr. Cherry
(Addendum)

Mr. Handley requested information on the college restricted fund budget, as he noted the appropriations were down in comparison on the last year. Mr. Mark Cherry, Associate Vice President of Collegewide Accounting, reported the appropriation for the restricted fund is difficult to predict, as funds do not arrive consistently throughout the year. In addition, the college was impacted with the reduction of the Job Link funding.

c. Education Leadership Roundtable

Dr. Gamble reported he has been asked to co-chair the Education Leadership Roundtable with Marci Harris, Director of United Space Alliance. The first meeting will take place in early March and will explore ways to better serve the needs of area students and educators. Commissioner of Education, Charlie Crist, has been invited to participate in this roundtable, along with representatives from schools, colleges, and the Florida Space Research Institute.

d. Education and Workforce Committee for the Economic Development Commission of Florida's Space Coast

Dr. Gamble reported he has been asked to chair the Education and Workforce Committee for the Economic Development Commission of Florida's Space Coast. This commission has been established to encourage the use of opportunities between Brevard employers and educational institutions in Brevard County. It will focus on critical issues to ensure strong, business-education partnerships and overall workforce enhancements.

e. Legislative Agenda for 2002-2003

Dr. Gamble reported he has been in regular contact with members of the Brevard Legislative Delegation and with the leadership of the Florida Senate and House, on BCC's legislative agenda for 2002-2003. He reported he will be in Tallahassee on February 21 and 22, 2002, to further pursue BCC's interests in that regard.

f. Simpkins Entrepreneurial Lecture

Dr. Gamble reported the second Simpkins Entrepreneurial lecture is scheduled for Monday, April 1, 2002, and will feature Bo Callaway, who, in addition to being the co-founder of Callaway Gardens in Georgia, is founder of Crested Butte Ski Resort in Colorado, a former U.S. Congressman, and former Secretary of the Army under President Nixon. The presentations will be held April 1, from 10:00 a.m. until 11:50 a.m., in the Teaching Auditorium, Building #4, on the Melbourne Campus, and 7:00 p.m. until 8:30 p.m., in the Bernard W. Simpkins Fine Arts Center, Building #4, on the Cocoa Campus.
